VERIFICATION OF NEW CEREMONIAL EMBLEM ON GRADUATION DOCUMENTATION

On 20 June 2022 the Council of Stellenbosch University (SU) approved a new emblem and seal for SU to complement the new corporate logo adopted in April 2021. The emblem and seal represent the ceremonial versions of the logo. The implementation of a new ceremonial emblem is part of our University's rebrand, which at the time entailed extensive stakeholder engagement, consultation and decision-making processes. The ceremonial emblem is a visual and symbolic continuation of our corporate logo. Both reflect Vision 2040, and unequivocally represent our commitment to excellence, inclusivity and innovation.

Given this approval, the graduation documentation from the December 2022 graduation onwards will reflect the new ceremonial emblem.

Stellenbosch University hereby confirms that the graduation documentation containing the new emblem and seal is valid and has been approved by Council.
